

# Product Specifications

## TUFFMAXX 5' ROUND FOLDING TABLE

Metal structures designed to optimise the weight/resistance ratio. The recommended maximum weight that appears on each page of the product refers to "evenly distributed" weight on the surface of the product.

Manual lock (1) and sliding ring (2) for greater leg stability when in use.

Individual polypropylene clip to hold the leg in position when folded. Solid and durable fastening device.

Slip-resistant fasteners for secure stacking.

8-48RT-WT (A)

8-60RT-WT (B)

### DIMENSIONS:

- Fixed diameter: 48" (A), 60" (C)
- Fixed height: 29"

### FINISH:
